Non-supply of steam generators to Manuguru Heavy Water Project

751. PROF. C. LAKSHMANNA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that there has been cost escalation in the Manuguru Heavy Water Project due to the non-supply of steam generators by ACC-Bob cock Company on its temporary closure;

(b) if so, what are the details thereof; and

(c) whether this would lead to the delay in the scheduling of this project?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) Yes, Sir.

(b) The escalation in the project cost as a consequence of non-supply of seam generators by ACC Bobcock Ltd. (ABL) is Rs. 49 crores.

(c) Three ABL steam generators were originally scheduled to be commissioned by April 1987. Now they are expected to be commissioned only by March 1990. Consequently the commissioning of the Heavy Water Plant is now envisaged by May 1990.

Banning of indigenous manufacture of all blood products

752. SHRI D. B. CHANDRE GOWDA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what are the details of the firms which are manufacturing products from blood and plasma;

(b) whether Government have banned indigenous manufacture of all products manufactured from blood and plasma;

(c) if so, the reasons therefor and whether Government propose to put a ban on the sale of foreign products also which are made from blood and plasma; and

(d) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) The names of the firms manufacturing blood plasma products are given in the enclosed Statement (See below).

(b) to (d) The indigenous manufacturers of blood products are not

prevented from manufacturing blood/plasma products but are to follow conditions laid down by the Government. The imported blood products derived from human blood are required to be accompanied by a certificate that these are free from AIDS virus; and are also subjected to test for HIV antibodies.

Propagation of Family Planning at grassroot levels

753. SHRI D. B. CHANDRE GOWDA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have appealed to the medical community to envisage methods to propagate family planning advice at grassroot levels;

(b) if so, whether Government propose to issue guidelines in this respect to the State Governments; and

(c) if so, the details of the steps Government propose to take to check population growth in the country?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) The Union Minister of State for Health and Family Welfare, while inaugurating the National Seminar on Family Welfare organised by Indian Medical Association on 15-4-1989, urged upon the medical community to think in terms of adopting areas, adopting people and share their education and devotion to the people through an army of non-clinical and community persons armed with necessary skills which enable them to provide health care and family planning advice at the grass root level under the active guidance of the doctors.

(b) No specific guidelines are proposed to be issued to State Governments in this regard. However, Govt. has been involving all sections of society including medical community in the Family Welfare Programme.

(c) To keep the population growth in the country within the manageable limits we have a well-defined strategy which lays emphasis on improving quality of services, enhancing child survival rates through Universal Immunisation Programme, intensifying population education, enhancing community participation, adopting improved commmunication approaches and involving voluntary Organisations. Besides, reinforcement of training and retraining of personnel at the grass-root level, establishing and strengthening linkages with related development programmes like female literacy and improvement women's status and adoption of area intensive approach are some of the initiatives being considered as part of the Eighth Plan strategy.

Joint campaign by National Institute of Virology and Pune Municipal Corporation against AIDS

754. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether the National Institute of Virology (NIV) and Pune Municipal Corporation (PMC) have jointly
